History Lives Here

Help us bring Sanibel's history to life. Holidays at the Village brings residents, visitors, businesses, and community partners together for an evening of history, storytelling, silent auction, holiday traditions, and philanthropy. Your sponsorship helps preserve Sanibel's historic buildings and collections, expand educational experiences, and ensure these stories continue to be shared for generations to come.

A New Sanibel Tradition

Join us for Holidays at The Village and experience Sanibel's history while celebrating the holiday season. At the heart of The Village stands the historic *Rutland House, our flagship building*, which offers a unique glimpse into island life and features fascinating Calusa Indian artifacts. This year, we are introducing **The Village Annual Christmas Ornament**, a dated, limited-edition collectible featuring the Rutland House. Join a new island tradition, create lasting holiday memories, and help preserve Sanibel's treasured history for future generations.
